

Would you like to join our team as the new Operations Manager at Olympic View Water & Sewer District?

Olympic View Water & Sewer District has been in operation for over 81 years and is located 15 miles north of downtown Seattle in Snohomish County. We provide water and sewer services to customers in the City of Edmonds, the Town of Woodway, and portions of unincorporated Snohomish County. Our service area covers 2,430 acres, consisting of 4,810 water connections and 4590 sewer connections serving approximately 15,000 residents. Our water supply comes from a combination of water treated through our Deer Creek Water Treatment Plant and the Seattle regional supply. The District owns all sewer mains, stubs and lift stations which convey wastewater for treatment at either the City of Edmonds or King County Metro. District employees and the Board of Commissioners place customer service as a top priority in addition to providing safe drinking water and sewer collection services to all customers. The ongoing investment in the systems allows us to consistently meet this goal.

Olympic View is seeking a motivated water & wastewater professional that has demonstrated high standards, to join our team and make a difference. This ideal candidate will have prior experience in all areas of management of field operations.

The Position

The Operations Manager manages a staff of eight and is an integral member of the management team. The position is responsible for planning, directing and oversight of the construction, operations and maintenance of the Water and Sewer distribution and collection systems, Building and Fleet Maintenance, including a Class 2 Water Treatment Plant and future wells. Full job description and application can be found at www.olympicviewwater.com.
